Hello Memorial Spaulding Families!

Our school is proud to partner with the American Heart Association with Jump Rope For Heart. This past Friday we kicked off Jump Rope for Heart with an assembly. Students learned about the fundraiser and we will be talking more about it in PE class next week. The month of February is heart health month and our students will be having fun learning about their heart, practicing their jump rope skills and having the opportunity to make a difference by raising money to help people. Last year, Memorial Spaulding families raised \$6,197 and our school goal this year is to raise \$6500! In addition to helping the American Heart Association, our school can earn free PE equipment. Next week each student will be bringing home an informational packet, which explains how to register online.
