We're more than just a choir.

Our members grow musically while they are making new friends, performing at special events, seeing new places, expanding their minds and broadening their world. Singers learn to play the recorder, read and play complex rhythmic patterns, are taught works by various composers, and perform at local events and concerts. One hundred percent of graduates are accepted to 4-year colleges - most with substantial scholarships.

No child is denied participation due to a family's limited finances.

I give permission for my child to meet a Boston City Singers' representative at Memorial Spaulding. No preparation necessary.
