

M-S Families,

The International /Cultural Festival committee is excited to share that we have 23 cultures already signed up to host a table this year. If you want your kids to see their special culture represented as well please go into this link [2020 International Festival Table and Performance Sign up](#) and sign up. Please sign up by February 28th so we can prepare for the event appropriately.

Here are the cultures that have already signed up. Feel free to join an existing table to make things easier for everyone as well as host a new culture: Russian, El Salvador, Eskimo, Swiss, UK, Chinese, Brazilian, Canadian, Israeli, Italian, Indian, Palestinian, Lebanoni, Swedish, Turkish, Costa Rican, Irish, Dominicanian, Moldovan, Korean, French, Greek and Cuban.

Also,

There only 10 slots available for the performance potion of the festival. Please go to the link above if your kids would like to perform a piece that represent a culture they are a part of. Preference will be given to group of 3 or more (depending on space available).

We look forward to another fun successful night celebrating our multicultural community.
